o A Challenge Day involves all students working on cross-curricular challenges. It develops essential generic skills and attitudes that can be used in all areas.

o Sixth Form info evening is for current Y11 students to come and find out about the courses post-16

o 16, 18 & 20 Nov - these exams are part of the full GCSE. Attendance is essential.

o Mentoring is a 15 min interview with students, parents and their form tutor. There is no need to attend school on the day unless the interview is scheduled at that time.
