- o Superlearning Days are specific preparation for exams. Tips and advice on revision and how to boost success.
- o GCSE and A level exams will start in the middle of May and continue till nearly the end of June. Timetables will be given out when exact details are known.
- o Awards Evening is presentations for last year's GCSE, AS and A2 exam students and their families

KEY:	ALL YEARS
YEAR 7	YEAR 10
YEAR 8	YEAR 11
YEAR 9	YEAR 12 & 13

- o Parents' Meetings take place 3:30 - 6:00pm. They are the time to meet with subject teachers for a short interview about student's progress and how to move up in attainment.
- o Y9 Transition to KS4 evening is when the option choices will be explained. There will be an opportunity to meet subject teachers and discuss with them choices for students.
- o Full and interim reports are scheduled to be distributed on the days as shown though they may be delayed by a day or so.
- o At some point between 2nd and 13th March there will be GCSE module exams for Y10 and Y11 students. Attendance at these is essential. We will give exact dates as soon as we know.
