Dear Parents and Carers,

We are delighted to share the outcome of our recent Ofsted inspection.
The inspection confirmed that the school is meeting the expected standards across key areas, including:

- Safeguarding
- Achievement
- Attendance and Behaviour
- Leadership
- Personal Development and Wellbeing
- Governance and Inclusion

This represents significant progress from previous inspection reports and is a testament to the hard work, commitment and dedication of our staff, students and wider school community. We are incredibly proud of what has been achieved together and grateful for the continued support of our families.

The report highlights the positive changes that have taken place across the school and recognises the strong foundations we have built to ensure all students can succeed and thrive.
