

Y11 Study Plan - Summer 2010

	Morning	Afternoon
Week 1 Mon 10-May		
Tue 11-May	<p>This is the Y11 Study Plan for 2010. It shows where students should go for last minute preparation for exams. The preparation will be led by the teachers whose initials are shown. If a revision session clashes with an exam then students MUST GO TO THE EXAM.</p> <p style="text-align: center;"><i>These sessions are not a substitute for your own revision at home!</i></p> <p>It is essential that students should carry their revision materials with them at all times. They will need this for when they have done the exam for a subject but still need to use the time appropriately. For example the last Spanish exam is on Thurs 27 May but students must still go to Spanish lessons until they are told they do not need to turn up for school. They must have work that they can do in those lessons.</p> <p>Please note that students who have not completed ICT or any BTEC coursework have special sessions organised for catch-up on Thurs 17 June and Friday 18 June. Individual students will be told when they are to attend.</p>
