where learning leads to great opportunities

24 Nov 2011

Dear Parent/Carer

Special Instructions: Mon 28th, Tues 29th & Wed 30th November

It seems as though the planned industrial action across the public sector will go ahead next week. School will therefore be closed (to children) on Wednesday 30th November. You will be aware we are also closed on Monday 28th for the calendared training day.

We try and spread our training days and non-timetable days evenly across the days of the week, over the whole year. The industrial action means we are losing more Wednesdays than we had planned. We will make up for this by running most of Wednesday's timetable on Tuesday. If you remember, we 'gained' a Tuesday in October when we had to cancel our Challenge Day due to Ofsted's visit.

The one-off timetable is mainly Wednesday's lessons, with the first two from Monday added in as a bonus. We will start as if it's Monday but move to Wednesday after break. It sounds mad but we know that it will work.

The timetable for your child's year groups is shown here. They will need to pick out the teaching group they belong to.

What will matter most is that your child works out if they have PE or not, or need to bring in resources for other lessons, such as Technology, and their equipment and books for the rest.

We hope that you can help your child make this minor adjustment, it means a better deal all-round for them.

Yours faithfully,

Steve Clark
 Deputy Headteacher
