where learning leads to great opportunities

9 Dec 2011

Dear Parent/Carer

Futures Day Follow-up

Yesterday, on the Futures Day, the Y8 students were given the opportunity to reflect on some of their skills and talents as well as starting to do some research on possible future careers. We hope that they have told you about their day and that it has prompted some conversations with you about their dreams and aspirations.

Part of the day was some time spent using a careers website called "Launchpad". All Y8 students were given an individual log-in and had the chance to start exploring the site. I am writing to you to tell you about this so that you have the opportunity to look at the site at home with your child and help them follow up some of their thinking. They will get extra opportunity in school to do more research but we believe it is important that children and their parents and/or carers have the opportunity to look at these things together and discuss.

The student log-in is:

- username is the student's network username e.g. 9876jone
- password is the student's date of birth in the ddmmy format e.g. 021197

Launchpad can be accessed from the school website (www.bournvilleschool.org) via the Careers Gateway.

If you have any questions about this please feel free to contact your child's tutor or myself.

Yours faithfully

Steve Clark
Deputy Headteacher
