

Course Information – September 2011

Course Title Level 2 Diploma in Performing Arts

Level BTEC

Awarding Body EDEXCEL

What is the content of the course?

Six vocationally based units, each with a number of credits that are designed to provide specialist work-related qualifications in a range of jobs and areas in the Performing Arts. They give learners the knowledge, understanding and skills that they need to prepare for employment within this sector.

Learners will examine singing, acting and dancing, and examine the different job roles in Performing Arts

How is the course assessed?

	%	Details:
End of course exams	0	
Modular exams	0	
Controlled Assessment	0	
Portfolio	100	Every Unit will be submitted in the form of a written portfolio, together with performances, logbooks and observations

How is this course delivered?

The majority of lessons are practical with students examining and rehearsing performances from different styles of the arts. Students are also expected to complete workshop paperwork to demonstrate their learning.

What are the entry requirements?

The main requirement is enthusiasm and enjoyment of a wide variety of performance areas. Students should be creative and imaginative and fully committed to improving their performance skills

What skills are useful for success on this course?

Good teamwork skills, confidence and organisation are essential. Students should be hard working, and above all thoroughly enjoy performing in front of others.

What opportunities will success on this course give me?

This course allows students to examine the jobs that Performing Arts can lead to. It gives students opportunities to observe performances and work with specialists in the Performing Arts Sector
