 www.bournvilleprimaryprovision.org

Dear parents,

What a fantastic start back to the term it has been. On Tuesday the children enjoyed a fantastic visit to Warwick Castle. The children saw a trebuchet in action, a falconry display and got to explore inside the castle and walk the castle walls. There was so much to see and do and the feedback from pupils and parents has been excellent. In the Autumn term the children will enjoy class trips to attractions such as RAF Cosford and Weston Park in Shropshire. The teachers are very much looking forward to leading more educational visits with the children in the coming year.

Curriculum

Reception hosted an outdoor parent workshop "Let's Play" which gave parents and children the opportunity to learn and play together which was very exciting for parents and children alike. They found bugs, used the water to explore weight and explored the playground on their bikes. The children in year 1 have been developing our reasoning and problem solving skills in maths focusing on the place value of numbers up to 100. They then became maths investigators and had to not only explain their answers but prove they were right using the tens and ones! In year 2 the children have been reading, learning and enjoying poetry this week. They have enjoyed working in pairs to perform a poem by Alan Ahlberg. Year 4 have been studying European art and architecture and Mentalgassi art, which explores making the invisible visible.

School website

I am aware that parents are having difficulties in accessing all the information they need about school through the MyED app. In order to access to most up to date information about the school please visit <http://www.bournvilleprimaryprovision.org/> or type Bournville Primary Provision into a search engine which will take you to the primary area of the school website which is updated regularly.

Parent Teacher Association

The next PTFA meeting will be held on Thursday 5th of July. Parents will be elected into roles at this meeting so fundraising events can begin. A letter will be sent to parents with further information. If you would like to be part of the PTFA please come along.

Parent questionnaires

We recently sent out a parent questionnaire but did not receive many responses. We will be resending the questionnaire next week. As a school we really value feedback, please support us by returning your survey to your child's class teacher.

£30 Worth of Free Shopping

Next week you will receive a letter about applying for free school meals (FSM). It is really important for parents to fill the form in and return it to school even if your child currently receives a free school meal, as school receives money for children who are eligible which is then spent on your child's education. If you return your letter next week you will be entered into our prize draw. There are two prizes of £30 ASDA vouchers to be won so make sure you return your letter!

Parking

Parking

For safety reasons the car park is for the use of staff and visitors to the school only. Parents using the car park to drop off children at the start and end of the school day are causing obstructions in the car park which is dangerous for the children and pedestrians alike. We respectfully ask that parents do not use the car park to drop or collect their children so that we can all, as a school community, ensure the safety of all the children on site.

Upcoming dates:

Monday 18th June - Primary science parent drop-ins 1:00 - 2:00pm Year 4

Tuesday 19th June - Primary science parent drop-ins 1:00 - 2:00pm Year 2
