Dear Parents and Carers,

It has been a very successful term at Bournville School Primary.

It has been a pleasure to see our children have an array of different experiences from the wider curriculum throughout the term as well as a continued focus on their learning in lessons. We have had the joy of looking after our lambs, Marshmallow and Summer. Children have enjoyed trips to Bookfest and the City Library as well as Kenilworth Castle. Children have also had the opportunity to have lessons in the recorder, violin and saxophone.

Year 3 and Year 5 assemblies for their families were magnificent and we were all so proud of the children and their performances. Reception, Year 1 and Year 2 assemblies will take place in the summer term and dates will come out after Easter.

We are very excited for our new after-school clubs to begin and to be able to offer such a wide choice. There are still places available in the sports clubs so if you would like your child to attend and you haven't signed up yet, please speak to your class teacher or Mrs Bharj.

I would like to take this opportunity to thank all of you for your continued support in making Bournville Primary School successful and I know that through working together we can continue on this journey.

Have a lovely Easter and a restful spring break.

Mrs Chappelow.

### Year 3

Year 3 performed their assembly on a celebration of poetry and music. They sang about being on top of the world and performed poetry that they had written themselves.

### Year 5

Year 5 have had great fun learning and performing an assembly on 'Plant and Animal Lifecycles'. They taught the rest of the school about the lifecycle of a butterfly through a very catchy song. Children have been able to study the four different stages of metamorphosis in a butterfly by looking after 5 caterpillars in class. They are reaching their chrysalis stage now and will be hopefully turning to butterflies in the next few days!

### Summer School Trip

We are very excited to announce that as a cultural experience for the whole school, we will be going to see 'Joseph and the Amazing Technicolour Dreamcoat' at the Hippodrome in July. We will then be performing a showcase of the songs for all our primary families before we break up for the summer.

Payment for the trip will be made in instalments and a letter with all the information will come out after Easter.

### Donations

If you are having a spring clean and have any of the following items of good quality and age appropriate books you would like to donate please bring them and drop them off in our reception:

- Preloved quality books for our library.
- Preloved cooking equipment such as bowls, aprons and wooden spoons.
- Preloved uniform
- Arts and Crafts
- Gardening tools to include plant pots etc

### Red Nose Day

Thank you to everyone that donated and participated – as a primary school we raised £87.74 towards a worthy cause.

## Attendance and Punctuality

Every week in school we celebrate children who attend school every day and also the class with the highest attendance for the week.

Last week the attendance for each class was as follows:

| Class      | %          | Class | %    |
|------------|------------|-------|------|
| <b>Rec</b> | <b>100</b> | 5O    | 95   |
| 2C         | 96.9       | 2Q    | 94.5 |
| 3W         | 95.4       | 1B    | 94.4 |

'**Star of the Week**' is for pupils who achieve high standards of effort, progress, behaviour, attendance and punctuality. If a child achieves Gold they will be chosen to be 'Star of the Week'.

| Name            | Class | Value                   |
