

Friday 28th February 2020

Dear Parents/Carers,

Bournville has seen a number of changes since January and, notwithstanding a few teething problems, we are now settled and moving forward positively. Some of these changes have had a direct knock on effect to year 10.

Set Moves

In order to make sure that all students fulfil their potential the whole school has been reset based on prior attainment, how well students did at primary school. We know that students make progress at different rates so these new sets will be reviewed every six weeks. This will ensure that intervention is targeted appropriately and no one is left behind.

Parents Evening

As there have been set changes parents evening has been postponed until 19th May 2020 so that teachers have the time to get to know each student and so that we are able to give parents a complete picture of their child's strengths and areas for development.

Mocks

Mock examinations for year 10 have been postponed until w/c 8th June and w/c 15th June.

If there are any urgent concerns please contact your child's form tutor or Mr Sullivan, Head of Year 10, in the first instance.

Yours faithfully

Miss M Green
Head of Academy
