

3rd June 2020

Dear Parent / Carer,

Year 7 to 9 In School Prep Sessions

We hope that your family remain well. As you will be aware from government announcements and from our previous letters to you there are currently no national plans for students in years 7, 8 and 9 to return to school. It is vitally important that no child's education suffers during this time as this will have a long-lasting impact on their learning when school does return, and ultimately on their chances of a successful and happy life. For this reason, we have made sure that all students have been set appropriate work via Show My Homework, and where parents and carers have contacted us (for example those who don't have internet access) we have posted out work packs.

Where students are not completing enough work, we will be writing to parents individually and will be inviting those children into school in the coming weeks for a weekly work session.

Should you have questions on how to help your child access the work set for them please contact your child's Head of Year:

Year 7: Mr D Kesterton, kesterton.d@bournville.bham.sch.uk

Year 8: Ms B Trilloe, trilloe.b@bournville.bham.sch.uk

Year 9: Mr C Chilton, chilton.c@bournville.bham.sch.uk

Yours faithfully

Miss M Green
Head of Academy
