Dear Parent/Carer

Year 10 Options from September 2020

Returning to school after Coronavirus will mean a number of changes in order to make sure that we can keep all students in school safely. To do this we will need to look at students options again.

We are proposing that students would study three options rather than four in order to catch up missed English, Maths and Science.

Students would have one option from each of the columns. Set 1 Science will continue with a triple pathway and will also choose one from each option.

Option 1	Option 2	Option 3
History Geography Health and Social Care	Art Business BTEC Drama Spanish RS	Art Business GCSE Music Sport Science Computer Science

Students will be asked to make these choices in school next week, so attending in these last two weeks of term are vitally important in preparation for September.

Yours faithfully
