Opportunities for access

A number of events, integrated into the academy's careers programme, will offer providers an opportunity to visit Bournville School to speak to students and/or their parents/carers:

- Employer Engagement events run throughout the year across all year groups depending on availability and other academy activities. This is not a restrictive plan. Please speak to our Careers Leader to identify the most suitable opportunity for you.
- Premises and facilities are available throughout the academic year, including the Main Elgar Hall, PPC, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with Careers Leader or a member of the team.
- Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers Resource Centre or reception.
