

11th March 2021

Dear Parent/Carer

RE: Secondary Phase Students – Hot Food

Parents and carers may recall that as part of our COVID safety measures from September, we stopped the provision of hot food in the canteen at break time and lunchtime. We are continually revising our COVID precautions and are now able to provide hot food once a day for each year group, in a COVID safe manner.

From Monday 15th March all students (including those who bring a packed lunch) will eat in the canteen, sat with their form group who already form their “bubble”. Entrance to the canteen will be staggered to reduce mixing of different year groups, and each year group will have assigned seating, which will be cleaned after one year group leaves and before another arrives.

Hot food will be available at Break 1 (11.00-11.30) for years 8 and 10 each day, and at Break 2 (1.30-2.00) for years 7, 9 and 11 each day. Students who wish to purchase hot food will need to have sufficient funds in their ParentPay account.

We hope that you and your child will be pleased by this development, and we will of course continue to review our procedures in the coming weeks and months.

Yours faithfully

Miss M Green
Head of Academy
