

21st May 2021

Dear Parent/Carer

As you are aware your son/daughters' final assessments will be completed by Thursday 27th May. On Friday 28th May, pupils will be spending the majority of their time ensuring their subject portfolios are of a high standard. For some pupils this may mean completing missed assessments and other important pieces of schoolwork. Pupils subject portfolios will help teachers to decide their teacher assessed grades (TAGs) so it is vital that they are the very best that they can be.

To support pupils in their post-16 options we will be running a three-week programme of activities starting Monday 7th June 2021 until Friday 25th June 2021. These activities will take place both in school and online via Microsoft TEAMS.

When pupils are in school, they will leave at lunch time (1.30pm) and if your son/daughter receives a free school meal they will still be able pick up a meal from the canteen as usual. Pupils are expected to wear full school uniform (unless participating in PE activities), to be punctual and to follow school rules.

We look forward to a successful end to their time at Bournville School, if you have any questions then pleased don't hesitate to contact me on the email address below.

Kind regards

Mr Paul Lowe
