

11th June 2021

Dear Parent/Carer

As we come towards the end of one of the most interesting years in modern education, I am writing to inform you of the planned mock examinations for year 10 students.

These mock examinations will take place **week commencing 28th June 2021** and will last for one week. Students will be issued with a personalised mock examination timetable which will outline when their mock examinations are, you will also receive this via email and the overall timetable will be published on our school website.

Students will sit mock examinations in all their GCSE subjects which will assess their knowledge, skills and understanding of the key aspects of their GCSE courses.

As we are still uncertain of the government's intentions for examinations next year, it is vital that all students prepare and revise thoroughly at home and we would appreciate your support in ensuring that this happens.

The results from these mock examinations will play an important part of your son/daughter's future.

If you or your son/daughter require any further information, please do not hesitate to contact me.

Yours sincerely

Mr M Else
Deputy Headteacher
