Dear Parents/Carers

It is great to be back in school. A huge thank you to everyone that has stepped in to ensure that we continue to move forwards – especially Mrs Mupesa and Mr King, who have had to learn the ropes pretty quickly! Many of the items that were to be introduced over the summer term will begin over the next couple of weeks, however, some will be introduced in September.

Lauren Hill

Our new teacher has started this week. We welcome her to Bournville. The children have met and worked with her. She will be working in a variety of classes before we break up for the summer.

Miss Queen

We are saying goodbye to Miss Queen who has decided to take a job closer to home. We thank her for all of the hard work that she has put in at Bournville.

Parents' Evening

Parents' evening was a huge success with a very high contact rate. Thank you for bearing with us if the connection was dropped and we had to call you back.

Reception Numbers for September

As you might have heard on the news, reception intake across the whole country has dropped significantly. This is especially so in Birmingham. Because of this, we are having to combine classes in September. We are creating a Reception / Year 1 class and a Year 1 / Year 2 class. Although in mixed age classes, children will still receive the appropriate level of work.

Collecting your children at the start and end of the school day

Thank you to all parents and carers who remember to wear a mask when picking up and dropping off your children. We have seen, first hand, how quickly the virus spreads. As the responsible adults, we need to ensure that we set a good example to all of our children by following the guidelines. Please also ensure that social distancing is properly maintained. To ensure the safety of you and your children, we are closing the lower carpark at 08:30. This will ensure that children are safe on site.

Uniform reminder.

A huge thank you to all parents who ensure that their children arrive at school wearing their full school uniform. This included wearing black shoes not trainers. For PE, while children are coming to school ready for PE, they should have plain black joggers and a plain black sports top.

Safeguarding & Attendance

Remember that if you have any concerns over the safety or wellbeing of any of our children please report them to our safeguarding leads – Primary: Mr Brown and Mrs Bharj - Secondary Miss Wheeler and Miss Green. Alternatively, you can talk to any member of staff and they will ensure that the correct procedure is followed. Please remember that your child's attendance is absolutely imperative and children should be in school every day and on time.

Dogs

Please be aware that dogs are not allowed on school site. Please refrain from bringing them onsite to either drop off or pick your children up. Many thanks for your cooperation with this matter.

After School Clubs

We are delighted to get the opportunity to offer extra-curricular activities again. The children loved the first sessions and we will continue to run them until the end of term.
