

15th July 2021

Dear Parent/Carer

Over the last two years, the education of our students, and students nationally, has been significantly disrupted by COVID and students may be feeling uncertain or concerned over their transition into year 11 and the expectations of their teachers.

It is really important that all year 11 students begin the autumn term focused and ready to learn. To support this, we have organised a bespoke summer school for year 11 that will address any concerns and help them start year 11 in a positive frame of mind.

The program is as follows:

Tuesday 31st August

Getting back into core subjects.

This is delivered by specialist staff from an external company.

9:00	English
10:00	Maths
11:00	Break – snacks provided for you
11:30	Science
12:30	Lunch - provided for you
13:00	Learning to revise workshop
14:00	Home time

Wednesday 1st September

Preparation for success delivered by Resilient Me

www.resilientme.co.uk

9:00	Motivating Me
11:00	Break – snacks provided for you
11:30	Prepare to Pass
13:30	Lunch - provided for you
14:00	Home time

Students will be set special work for Thursday and Friday to help them spring board back into the positive learning habits needed for success in their GCSEs.

I hope you will encourage your young people to take part as it will provide an opportunity to reconnect and prepare for success; whatever next year looks like.

Please follow the link below to the form to indicate attendance so that I can make sure the necessary arrangements are in place.

There is no cost to families or students for this summer school. Students will not be required to wear school uniform.

You are asked to make sure a lateral flow test is taken and is negative before attending.

If you have any questions, please do not hesitate to contact me.

Yours faithfully
