Dear Parent/Carer,

Y11 Examination Information Evening – Wednesday 13th October 2021 – 17:45 – 18:45

As you will be aware Y11 students will be sitting their GCSE's towards the end of this academic year, we are fully committed to doing everything we can to support students in their GCSE examinations.

With this in mind we would like to invite you and your child to attend a year 11 examination information evening on Wednesday 13th of October 2021 starting at 17:45 until 18:45.

This will be a valuable opportunity to receive important information about the GCSE examinations that your child will be sitting in the summer of 2022, you will also receive advice and guidance about how you can support your child with revision, in preparation for both mock and GCSE exams. I will also update you about malpractice and how important it is for students to adhere to the exam rules.

Our subject leads for Mathematics and English will also provide some core guidance.

We always find that a strong partnership between home and school provides our students with the greatest opportunity for success.
