Children in Need

We are celebrating Children in need on 19th November.

We will be holding a cake sale during that week and will be asking children to come to school dressed as their favourite character from their class book or suitable pyjamas and slippers. Please look out for the separate letter.

Tapestry

We are setting up a Tapestry session for EYFS parents on Friday 19th November. The session will take place in school and last for about 40 minutes. Tapestry is the platform that we use to share progress information with parents. More information will follow directly from Mrs Mupessa.

New member of Staff

It was with great sadness that we said goodbye to Miss Collie last half term. We had arranged for a new teacher to take her place. However, due to serious illness, he had to pull out at the very last minute. We wish them both the very best for their futures. We have a new teacher for year 4 starting on Monday 8th November. Mr Deb will be taking the class through to the end of the year. We welcome him to Bournville School.

Parents' Evening

Thank you to all of you who made parents' evening such a huge success. There was a great turn out for all classes. With your support we can move the school forward at a great pace. Our next parents' evening will be in the spring term. You will get to look at your children's work books and discuss with their class teacher.

Dainty Little Hands

Before and after school child care at Bournville.

Would your children like to join in with the fun at Dainty Little Hands? Please go to <https://daintylittlehandslimited.schoolipal.co.uk/> to make your bookings!

Their number is 01922 219038 Bookings can be made in club. Session prices - £7 morning £9 afternoon.

KS2 Entering School in the morning

We are making a change to the dropping off routine in the mornings. If you drop off a child in KS2, you can now wait in the KS2 playground. The gates will be opened at 08:20. The bottom gate leading into the classrooms will be opened at 08:30 by Mrs Bharj and/or Mr Brown. This will reduce the number of children and parents from the carpark area. We will continue to pull the barriers across to stop cars driving onto the lower carpark. Please do not move them to drive down – they are there to spot cars and children mixing. Please ensure when walking down to the gates, you stay on the path not on the carpark. If they have been moved for some reason, please do not be tempted to drive down onto the lower carpark – even if you are running late. You can also park on Cobs Field and walk up the new path to the KS2 playground. This will also be opened at 08:30. Please be aware that this will change again soon, as we have installed an new electronic gate system on the main carpark. More details to follow.

Thank you for your cooperating with this issue.
