Nut Allergy

Please be aware that we have children in school who are allergic to nuts and have EpiPens in case of emergencies.

It is vital that children do not bring items of food in from home that contain nuts. Please note, that this includes chocolate spread sandwiches – most contain nuts.

Please check any tuck and lunchbox that you send in to ensure that they do not contain nuts. Thank you for your cooperation with this matter.

School Uniform

Although the children looked absolutely fantastic today, they will have to wear their full school uniform on Monday. Thank you to all of you who always ensure that your children come to school wearing their full school uniform. We have noticed that several children are not doing this on a regular basis. Would you please ensure that they always come to school in correct uniform? There are several children who also come to school with trainers on. Please ensure that they are wearing Black shoe. Thank you for your cooperation with this matter.

Behaviour Tracking

We have been using Class Charts in Primary for a while now. This is working well. When children achieve 50 positive points we are going to let them choose a prize from the prize box. This will continue for every multiple of 50 the children get to. We also record the negative points. We share these with the children.

Christmas Production

We are putting on our very own production of Cinderella. More details on a separate letter. We are asking you to help them practise their songs with them. We will put links to the song on their Teams accounts. This will be running from Monday morning. You will be able to access the backing tracks and lyrics.

Children in Need

Thank you so much for supporting our Children in Need day. The children looked absolutely fabulous. Thank you also for sending in donations. We are still counting these and will send them to Children in Need.
