

Dainty Little Hands

Weekly Newsletter!

Hello everyone! We hope you all had a fantastic Half Term. This week we have been busy celebrating Diwali and Bonfire Night with the children! We have completed lots of worksheets and posters which have been great activities to incorporate Creative Play and to improve the children's knowledge of the celebrations around Diwali and Bonfire Night! 😊

This week in Club the children have been extremely helpful and have been improving their independence by helping the Staff with washing the plates after snack and wiping down the tables! Continuing with our theme this week, the children also had the opportunity to create firework posters by flicking paint off paintbrushes! This was a great messy play activity that also encouraged Creative Play, and the children loved making them! 😊

PIC•COLLAGE

Would your children like to join in with the fun at Dainty Little Hands? Please go to <https://daintylittlehandslimited.schoolipal.co.uk/> to make your bookings!

We hope you have a lovely weekend!
