## Music

At Bournville, our intended aims are fulfilled by providing a broad, balanced curriculum offer while ensuring the progression in the development of conceptual knowledge and skills. The scheme of work (Charanga) maps out units for all year groups based on the national curriculum. The progression within the units ensure that pupils build upon and develop their skills of listening and appreciation, singing, playing, improvisation, composition and performance based around a range of live and recorded music genres from the past and present.

The aims for teaching Music in our school are:

- To ensure pupils effectively perform, listen to, review and evaluate music from a range of genres and time periods
- To teach pupils how to sing
- To ensure pupils create and compose music on their own and collaboratively with others
- To develop values and transferrable life skills such as tolerance and respect
- To ensure all pupils get an opportunity to learn a musical instrument and be taught this instrument by a peripatetic teacher
- To allow pupils to communicate their thoughts and feelings about music using inter-related dimensional vocabulary such as tempo, pitch etc.
- To fulfil the requirements of the National Curriculum for music
