

Bournville School Curriculum Intent Statement 21-22

Spanish

At Bournville, our intended aims are fulfilled by teaching the subject discretely once a week from Year 3 to Year 6. Opportunities are provided for pupils to develop their spoken Spanish through discussions and spontaneity as well as applying their understanding to written Spanish. Lessons are engaging developing pupil's confidence is key and my making language acquisition enjoyable and with a real-life purpose ensures pupils become more confident in their knowledge and skills but also ensures future learning of other languages is achievable.

The aims for teaching Foreign languages in our school are:

- To provide all pupils across the school with high quality education in Spanish
- To develop a love of learning about other languages and cultures
- To ensure pupils become more proficient in understanding both spoken and written Spanish
- To engaged pupils in spoken language and increase with confidence when speaking Spanish to each other
- To develop high aspirations for future learning and knowledge of how important other languages can be in their future
- To fulfil the requirements of the National Curriculum for languages
