Dear Parents/Carers

As we move towards Christmas we are trying to balance keeping everyone safe and maintaining the joy of the festive season. Whilst primary will still be gathering for a dance after school today with regret we have had to postpone our primary performance of Cinderella. We were going to try to video the production however one or two of the main cast have COVID and it really isn't the same as being there to watch your children in person nor is it the same for the children who have worked so hard. For that reason, we have decided to move the performance to January.

The good news is that we still have in school festivities happening and today it is lovely to see the children resplendent in their Christmas jumpers.

Father Christmas is still on schedule for his stop in to Bournville.

Yours faithfully
