

Ref: CovidupdateNov21

29th November 2021

Dear Parent/Carer

Face Coverings

Following the government update on Covid yesterday, please be advised that staff, students and visitors will be expected to wear face coverings in communal areas unless exempt. Please ensure that your child attends school with a clean face covering from Tuesday, 30 November 2021.

Protective Measures

The Academy follows the DfE guidance on Covid measures. Part of these measures is to encourage regular lateral flow testing to identify asymptomatic positive cases. Please support your child to continue to lateral flow test twice per week and log the outcome of their test at www.gov.uk/report-covid19-result. Students will continue to be encouraged to exercise good hand hygiene by washing/sanitising their hands regularly. They are also reminded to exercise good respiratory hygiene by coughing/sneezing into a tissue, disposing of the tissue hygienically and then washing their hands.

Enhanced cleaning remains in place and all rooms are ventilated. As the weather becomes colder, please ensure your child wears appropriate plain under layers and a school jumper in order to stay warm. As social time remains outdoors, students should wear an appropriate coat (hoodies are not permitted). Thank you for your ongoing support with the measures listed.

Yours sincerely

Miss Moira Green
Head of Academy
