

Thursday 3rd February 2022

Dear Parent/Carer,

I am writing to inform you of an emerging issue we are facing currently in school. Over the past week we have had an increased number of incidents where students have brought an 'e-cigarette' onto the school site.

It is a real concern that these products are being brought into school, particularly as it is illegal for these items to be sold to anyone under the age of 18. At Bournville, we have a 'No Smoking Policy' which means that smoking, including the use of e-cigarettes is banned on the school premises.

Bringing e-cigarettes onto the school site is a serious breach of our school's behaviour policy and will therefore be dealt with in line with the school behaviour policy. Students found to be bringing banned items onto the school site will be issued with a suspension.

Thank you for your support on this matter. It is important we continue to work together to ensure our school is a safe place for children to succeed.

Yours faithfully

Miss M Green
Head of Academy
