

Tuesday 8th March 2022

Dear Parents/Carers

There are tree works that will be starting on 17th March, in the roads that are around our school.

This means that when you are picking up and dropping children, you will need to park away from the school and walk.

I am enclosing the leaflet that has been sent into school that shows where the tree works will happen and between what times.

I apologise for any inconvenience that may be caused.

Yours sincerely

Miss M Green
Head of Academy
