Snacks

Please be aware that while we encourage children to bring in snacks from home, they must be healthy.

Over the past few weeks, the number of children bringing in crisps and chocolate has increased. These are not allowed in school. Please be advised that children will be asked to return the unhealthy snack to their bags and take it home.

A huge thank you to all who donated to our fund-raising event. It was a huge success.

The children really enjoyed the day and, with yourselves, raised a whopping £1694.65.

Two representatives from Acorns led our assembly on Monday morning and told the children what happens at the hospices and what the money will be used for.

Again, a huge thank you!

Goodbye and thank you to Miss Hill and Mrs Brandrick.

Miss Hill has decided to move to a job closer to home. This will mean that she leaves Bournville at Easter. Her last day will be on Friday 8th April. We thank her for all of the hard work she has put in and wish her all of the very best of luck for her future career. We are also saying a fond farewell to Mrs Brandrick. Mrs Brandrick has decided to spend some valuable time with her family. We wish her all the very best for her future.

New lunchtime Equipment

We have bought new playtime and lunchtime equipment for the children to use during breaks. They are really enjoying playing with it.

Please ensure that children do not bring in any footballs from home.

Gates open in the morning

The playground is now open in the mornings so that children can play in safety.

We have also moved the barriers so that cars can't pass the playground gates. Please do not move them – they are there for the safety of all of the children.
