Monday 25th April 2022

Dear Parent/Carer

I hope that you have all had a restful break over the holidays. At the end of last term, a number of appointments were made which means that I am now in a position to share with you the permanent staffing structure for primary moving forward.

After a rigorous interview process Miss Briner has been appointed to the substantive position of Principal of Primary. Miss Briner has substantial experience as a primary head teacher and consultant, supporting schools in different cities to make significant improvements. She has taught pre-school through to Year 6 so has an in-depth understanding of pupil development across the primary phase. She also has a wealth of experience with Special Needs, behavioural coaching and leadership training across many schools and has lectured trainee teachers at university in these fields. She is passionate about the well-being of pupils and holds high expectations for all so that everyone is able to achieve the best outcomes for themselves.

Miss Briner and Mr Brown will operate as Co Principals between now and the end of term to ensure that there is full hand over. In addition, Mr King has been promoted to Vice Principal of Primary.

Due to small numbers in classes, we will be combining Year 2 and 3 together to make a Year 3/4 class next year. Therefore, next year class teachers at KS2 will be as follows:

Year 6:	Miss McLynsky
Year 5:	Mr King
Year 3/4:	Miss Johnson

At the end of the summer term Miss Kelly will begin her maternity leave, we will be advertising for cover for her post this half term as well as a permanent Early Years teacher. Due to falling numbers nationally, we will be looking to combine year groups lower down through the school as well. We will write to parents once suitable candidates have been found and the structure for Key Stage 1 has been finalised.

Yours faithfully

Miss M Green
Principal
