

19<sup>th</sup> July 2022

Dear Parent/Carer

I would like to take this opportunity to thank both students and staff for the exemplary way in which they have conducted themselves in the current weather conditions. The majority of students have demonstrated a commitment to their education by continuing to attend school this week and have engaged in lessons well with the adaptations we have made to provide a more comfortable learning environment.

I am sure we will all be glad of the cooler temperatures predicted from tomorrow so can I please take this opportunity to reiterate the expectation that all students are expected to attend school right up until the end of term and that any absence related to the weather will not be authorised.

It is important that we all remain safe in any conditions and with this in mind please find below a link to the Beat the heat: staying safe in hot weather which I urge you to share with your families.
