

21st April 2023

Dear Parent/Carers

I would like to take this opportunity to introduce myself as the new Principal of Bournville school. I was appointed on 26th January and had the opportunity during the recruitment process to meet Trustees, Governors, Staff and pupils. I came away from this with a very positive impression of the school and its potential to be excellent.

Since then, I have been in the school meeting more pupils who have quickly made me feel welcome so much so that I have been very impressed with their confidence and friendliness.

I have also been able to start working with leaders and staff both within the Trust and the school to plan how we can build on the successes that have been already achieved and make the school a place where all will flourish. I have been very impressed by the commitment, dedication and ambition of the staff for the pupils.

This term I will be working alongside the staff to ensure that all pupils finish the year on a high note and are fully prepared for the next stage of their education journey.

My focus is to ensure that we raise standards so that everything we do within Bournville School achieves the very best for every pupil and from every pupil. Parents are a key partner in this and there will be many opportunities to involve you as we move forward.

I am very much looking forward to meeting you in the near future.

Yours sincerely

Miss M Rooney
Principal
