Dear Parent/Carer

**RE: After school revision sessions – YEAR 11**

At Bournville school we are dedicated to our student's bright futures 100%, 100% of the time. Which is why we have now introduced after school revision sessions to help boost attainment and progress. During these sessions we aim to improve all our students academically, regardless of their starting points and current attainment. The staff across the school have agreed to engage in after school revision lessons and the following subjects will be on these specific days please see table below:

Subject	Day
Maths	Tuesday
English	Thursday
Science	Friday

The time frame of the revision sessions is approximately 15:00-16:00, please note this can run over by a few minutes at times. The after-school revision sessions will take place in the school Library or Classrooms of the relevant department, but this can vary depending on the teacher that is leading on the session, (all sessions will always take place on the Bournville site). Students and staff will receive revision timetables, so they can organise and prepare for the after-school revision sessions. Just for clarity if a student receives a detention, they are unable to attend the revision session on that day, as their detention has clashed with the revision session. However, I must stress all Bournville students are welcome and encouraged to attend the after-school revision sessions, as all our children are important to us.

These revision sessions are designed to accelerate progress particularly with the mock exams fast approaching. Moreover, we are also trying to organise revision sessions during the school holidays, to maintain the positive momentum and keep students engaged consistently. Registers are taken in every after-school revision session, so we can keep track of attendance and to also celebrate the students making excellent decisions for their futures.

If you have any queries or questions, please do not hesitate to contact the school on 0121 475 3881, or email [r.mullings@bournville.fmat.co.uk](mailto:r.mullings@bournville.fmat.co.uk).

I would like to thank all parents/carers for your consistent support it is very much appreciated.

Yours faithfully,

**Mr R. Mullings**  
**Vice Principal**
