Dear Parents/ Grandparents/ Carers,

We are looking to set up a paid After School Club for working parents and those that have multiple pick-ups after school.

To see if this is viable for the company running it, can you complete the online form (link below or QR code) so I can ascertain the number of families that will use this service please.

There is a drop-down menu at the top to select a different language if you require this.

Kind regards,

Miss Briner
Head of Primary
