

12<sup>th</sup> December 2023

Dear Parent/Carer

**RE: Motivational Speaker.**

At Bournville school we are dedicated to our student's bright futures 100%, 100% of the time. Our year 11 students have just completed their mock exams and while I am extremely proud of all our students for their professionalism, conduct, and hard work during these exams, I am conscious that our year 11 students may need their motivation reinspired post assessment. To continue to give the students something to work towards, I am bringing a motivational speaker into school on the 14<sup>th</sup> December 2023. This is strictly for our Year 11 students on this occasion, as I think they would all benefit from direction and understanding for their futures endeavours, demonstrating how to make every day count during this critical stage in their life and academic careers.

The speaker will conduct the seminar in the PPC from 11:10 to 12:00, it is essential students are punctual and present even at this stage of the academic year. I hope all students, parents, carers and guardians, realise how much we value our students at Bourville. I personally went to great lengths to get this particular motivational speaker into our school, as I want all of our students to realise their potential with a new voice to ignite their self-belief and aspirations.

If you have any queries or questions, please do not hesitate to contact the school on 0121 475 3881, or email [r.mullings@bournville.fmat.co.uk](mailto:r.mullings@bournville.fmat.co.uk).

I would like to thank all parents/carers for your relentless support it is very much appreciated.

Yours faithfully,

**Mr R. Mullings**  
**Vice Principal**
