Dear Parent/Carer

**Re: Y11 Information Evening**

We were very pleased to hold an Information Evening for Y11 yesterday, thank you to all those parents that attended. We shared revision guidance and strategies to support students leading up to the upcoming mocks and GCSEs, we hope you found this useful.

If you were not able to attend, please find attached the resources from this event, please take time to read it. It will help you to support your child in the upcoming weeks and months. I would also be grateful if you could complete the survey to help us to improve future events.

<https://forms.office.com/e/UpvXeEqmx6>

We are incredibly proud of our Y11 students who for the last couple of weeks have engaged with period 6 sessions in core subjects, are motivated in lessons and have even asked for a revision space after school. We are pleased to offer the library to them till 5.00pm (Monday to Thursday). Students will need to sign up for this and ensure they have parental permission.

We are encouraging students to maintain a steady revision programme, with the recommended materials they have been given. It is certainly not too late to make a difference to results, neither is it a time to panic. Should you like any further support, please contact your child's form tutor in the first instance.

Full examination timetables will be released to you shortly.

Thank you for your ongoing support.

Miss H. Poole  
Assistant Principal
