

20th March 2024

Dear Parent/Carer,

We are now only 5 school weeks away from the start of your son/daughter's GCSE examinations. We hope that your son/daughter is making full use of the revision support which they have been provided with in both individual subjects and in their after-school sessions with subject teachers.

By this stage they should have created their revision timetable and be completing at least 1-2 hours per night in preparation for the exams which begin on Wednesday 8th May.

We are committed to helping our pupils achieve their maximum potential and success in August; therefore, we have made arrangements to be able to offer some Easter holiday revision sessions in Science, English and Maths on the dates/times outlined below:-

We hope that your son/daughter will attend as many sessions as possible.

Thursday 4 th April	English	10:00 – 13:00
