Dear Parent/Carer

RE: Attendance Matters.

At Bournville school we are dedicated to our student's bright futures 100%, 100% of the time. For our students to benefit from our culture of discipline, teaching for excellence and high expectations, students must be resilient with their attendance. For ALL students 100% attendance is the goal which requires us all, as a united team, to take every day of term seriously. A common misconception is that the final week of term is not important, this is incorrect. Every lesson is focused and dedicated around academic progress, critically improving on assessment criteria conducted earlier in the term.

We are engaging in essential and impactful lessons making everyday count and the lessons in the final week of term one are no different. Moreover, the final week of half term one lessons often connect to the next phase of learning in half term two, so it is imperative that students attend school as diligently and punctually in the final week of term to continue to make accelerated progress for the new term.

I understand it has been a long term, but our objective is to finish strong and continue to give 100%, 100% of the time. Please look on our school website www.bournvilleschool.org for our "**Attendance Matters**" information booklet to give you further information relating to our expectations for students at Bournville.

PLEASE REMEMBER PREPARATION FOR CONSISTENT ATTENDANCE STARTS THE DAY AND NIGHT BEFORE.

If you have any queries or questions, please do not hesitate to contact the school on 0121 475 3881, or email r.mullings@bournville.fmat.co.uk.

I would like to thank all parents/carers for your relentless support it is very much appreciated.

Yours faithfully,

Mr R. Mullings
Vice Principal
