Dear Parent/Carer

Re: Uniform Standards

We have been working with our Parent Forum to review the Uniform Standards for September 2025. I am pleased to inform you that after a period of consultation with all stakeholders, we have now finalised this work and you will find attached the updated uniform guidance.

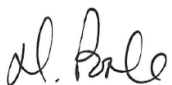

Our priority is to make uniform affordable for families and you will see the number of branded items is kept to a minimum. The Bournville school uniform is also designed to give students a sense of pride as well as practicality.

For ease can I point out to you the key changes from the previous uniform policy:

- 1) School skirt – if students choose to wear a skirt it must be pleated from the waist and fall below the knee.
- 2) Shoes – boots are no longer allowed, and shoes must be polishable. No sports brands such as Nike Air Force are permitted.

Please do take time to read the full documentation and support us in maintaining a high standard of dress.

Yours sincerely

Miss H Poole
Assistant Principal
