## Re: End of term arrangements

Dear Parents and Carers,

As we approach the end of a busy and successful term, I would like to take this opportunity to thank you for your continued support. It has been a privilege to see our students demonstrate our school values in so many ways:

**Ambition** – evident in the way all year groups approached their learning, with determination and focus.

**Dedication** – shown through students' participation in every aspect of school life, both inside and outside the classroom.

**Integrity and Excellence** – reflected in excellent attendance and punctuality. Arriving every day, ready to learn, is a vital part of success.

**Tradition** – seen in the hundreds of small, positive interactions we witness daily, where students show good manners, kindness, and respect to one another and to staff.

Thank you for working in partnership with us to make this possible. We look forward to continuing this journey together in the new year.
