

Tuesday 14th January

Dear Parent/Guardian

Re: Extra Curricular Timetable

We are excited to share with you the school's extra-curricular timetable for this term. A copy of the timetable is attached for your reference and has also been shared widely in school and on our website. Please note that the timetable is live and will be updated if any changes occur throughout the term.

Our extra-curricular programme offers a wide range of activities designed to support the personal, social, and academic development of every student. These activities provide opportunities for students to:

- Explore new interests and hobbies beyond the classroom.
- Develop important skills, including teamwork, leadership, creativity, and problem-solving.
- Build friendships and social connections across year groups and houses.
- Challenge themselves and achieve recognition through prizes and achievement awards for regular attendance and active participation.

We strongly encourage all students to take full advantage of the opportunities available. Participation in extra-curricular activities is not only a chance to have fun and pursue passions, but it also helps students develop confidence, resilience, and a sense of belonging within our school community.

We hope to see as many students as possible engaging with the programmes this term. By taking part, they will have the chance to make the most of their time at school, explore new talents, and contribute to a vibrant and active school life. Should you have any questions regarding the timetable or specific activities, please do not hesitate to contact the school.

Yours faithfully

Mis H. Poole
Assistant Principal
