

07 January 2026

Dear Parents and Carers,

We are delighted to share some positive news regarding leadership within our Primary Phase.

Following a thorough recruitment process, we are pleased to announce the appointment of Mr Mc Dermot as our new Associate Assistant Principal for Primary, who will be joining Bournville after the Easter break.

This appointment represents an exciting step forward for our school. Mr Mc Dermot brings a wealth of experience, strong values, and a clear commitment to high-quality primary education. He will work closely with the existing leadership team to ensure continuity, stability, and continued improvement across the primary phase.

Mr Mc Dermot has shared the following message with our school community:

"I am excited about joining Bournville leading the primary phase. I am passionate about building strong relationships with parents, staff and pupils to ensure a safe and supportive environment where everyone feels valued."

We are confident that his focus on relationships, wellbeing, and high standards will have a very positive impact on our pupils and wider school community. Parents can be reassured that supporting children's learning, development, and happiness will remain at the heart of our work.

We look forward to welcoming Mr Mc Dermot after Easter and to the contribution he will make as we continue to work in partnership with you to provide the very best education for our children.

Thank you, as always, for your ongoing support.

Yours sincerely,

M Rooney

Miss M Rooney
Principal
