Dear Parents and Carers

Re: Safeguarding Alert – "School Wars" Social Media Trend

We are writing to alert you to a social media trend titled "School Wars" (also referred to as "Red vs Blue") which has recently begun circulating among students in Birmingham and across the UK.

There is no credible threat to our school or to any schools mentioned in the circulating messages. We have been in direct communication with relevant authorities, and they have confirmed that this is a hoax. The matter is being taken seriously and is being addressed appropriately by law enforcement and relevant authorities.

The safety and wellbeing of our students and staff remain our highest priority. As always, we have established safety protocols in place and maintain close partnerships with the local authority to ensure a secure learning environment.

We understand that messages like these can cause concern. We encourage families to rely on official school communications for accurate information and to avoid sharing unverified posts that may contribute to unnecessary alarm.

If you have any questions or concerns, please do not hesitate to contact the school directly.

Thank you for the continued support in keeping the school community safe.

Yours sincerely

Miss M Rooney
Principal
