Dear Parent/Guardian

Re: Extra Curricular Timetable

We are pleased to share the school's extra-curricular timetable for the summer term. A copy is attached for your reference and is also available around the school and on our website.

Please note that this is a live timetable and may be updated during the term.

Our extra-curricular programme offers a wide range of activities to support students' personal, social, and academic development. Through these opportunities, students can:

- Discover new interests and hobbies beyond the classroom
- Develop key skills such as teamwork, leadership, creativity, and problem-solving
- Build friendships and connect with peers across year groups and houses
- Challenge themselves and gain recognition through awards for commitment and participation

We strongly encourage all students to take full advantage of these opportunities. Extra-curricular involvement not only allows students to enjoy their interests, but also helps build confidence, resilience, and a strong sense of belonging within the school community.

We hope to see as many students as possible participating this term. By getting involved, they can make the most of their school experience, explore new talents, and contribute to a vibrant and active school environment.

If you have any questions about the timetable or specific activities, please do not hesitate to contact the school.

Yours faithfully

Mis H. Poole
Assistant Principal
