

24<sup>th</sup> June 2026

Dear Parents/Carers,

**Re: Temporary Change to the School Day – Thursday 25<sup>th</sup> June 2026**

Due to the current period of exceptionally warm weather, which is forecast to continue throughout this week, we will be making a temporary adjustment to the school day on **Thursday 25<sup>th</sup> June 2026**.

School will open as normal and all students are expected to arrive by 8.30am. Students may attend in the adapted school uniform arrangements communicated to families yesterday.

To ensure the wellbeing and safety of our students during the hottest part of the day, school will close at **1.00pm**. This will allow students to travel home before temperatures are expected to reach their peak.

We recognise that some families may require their child to remain in school until the usual finishing time of 3.00pm. Supervised provision will therefore be available for those students who need it. If you wish your child to access this provision, please email [post@bournville.fmat.co.uk](mailto:post@bournville.fmat.co.uk) by **9.00am on Thursday** so that we can ensure appropriate staffing levels and maintain a safe environment for all students.

We appreciate your understanding and cooperation as we respond to these unusual weather conditions, with the safety and wellbeing of our school community remaining our priority.

Yours sincerely

Ms R Dhinsa  
Head of Academy
