

20th June 2025

Dear Parent/Carer

RE: Year 10, South and City College, Longbridge Campus visit, Monday 29th June 2026.

At Bournville we believe in promoting the highest level of ambition for our students. On Monday 29th June, all of year 10 we will be visiting South and City College, Longbridge. The visit aims to give students insight into further education and the various study opportunities available to them. Students will have the chance to participate in 3 college taster sessions and to find out more about college life.

The visit will take place during the school day, between 9.00am and 2.30pm. Students will be transported to the college via coach and will be expected to wear full school uniform. As students will be out of school at lunchtime, they must bring a packed lunch and a drink for the visit. Any students entitled to a free school meal will have a packed lunch provided.

This visit is free of charge to all students and will replace the timetabled lessons for that day.

Any child that requires medication, e.g. asthma inhaler / EpiPen, it is essential that they bring these on the day.

If you have any queries, please do not hesitate to contact the school on 0121 475 3881 or r.field@bournville.fmat.co.uk

Yours sincerely,

Mrs Field
