

10th July 2026

Dear Parents/Carers,

I would like to thank you for your support and cooperation during the ongoing period of hot weather. The measures we introduced helped to ensure that pupils remained safe and comfortable throughout the exceptionally high temperatures.

The weather forecast indicates that temperatures are due be lower after the weekend. Therefore, from Monday 13th July, the school will return to its normal routines.

Please note that:

- The school day will remain as usual, with an 8:30am start and a 3:00pm finish. We expect al student to arrive on time.
- **Pupils should wear their normal full school uniform and shoes.** We will make any temporary adjustments regarding ties, blazers and jumpers as students enter the building, but students should arrive in full uniform.

Thank you once again for your understanding and support.

Yours sincerely,

Ms R Dhinsa
