

Bournville School Uniform Standards – 2026/2027

Rationale

At Bournville School it is our expectation that all students wear full school uniform. We strongly believe that school uniform:

1. Promotes a sense of pride in the school
2. Creates a sense of community and belonging towards the school
3. Is practical and smart
4. Identifies the student with the school
5. Is fair and consistent and makes students feel equal to peers

Agreement and Communications

The new uniform policy was co-produced; with parents and staff collaborating to update the policy, prior to a period of consultation where all stakeholders were given an opportunity to feedback their views.

We now ask for and expect the full support of parents/carers in maintaining a high standard of dress and presentation from all students attending Bournville School. From time to time, certain items of uniform might get misplaced or need replacing. If this is the case, we request that communication is made with the school office immediately to inform us and that an acceptable timescale is set for when the issue will be resolved.

Students will be informed and reminded about uniform expectations through assemblies and tutor time presentations. These expectations will then be reinforced by all classroom teachers. Parents/carers will be informed of the uniform expectations via newsletters and the school website.

Monitoring

Wearing school uniform correctly is the responsibility of all members of the school community. All form tutors will check that student uniform is correct at the start of the day and then staff will continue to monitor that standards are being maintained as the day progresses. Students can expect to be challenged if they fail to adhere to the school's Uniform Standards.

Any member of staff (teaching or non-teaching) is empowered to reinforce the expected standards of uniform whilst a student is representing Bournville School, so that any issues can be resolved quickly and effectively. If necessary the school Behaviour and Learning Policy, which includes varying levels of intervention, will be used. The Principal will have the final say on any ongoing uniform discrepancies and students not conforming to the required uniform expectations.

Affordability

We ensure uniform is affordable for families by keeping branded items to a minimum. This will allow families to shop around for value for money items.

The only branded items which have to be purchased from local uniform shops are:

- The school tie
- The school jumper
- Blazer - it is possible to buy a branded blazer **or** a plain black blazer from any retail outlet and sew on a griffin badge (provided by the school)

Local uniform suppliers

Uniform labelling

It is recommended that all uniform items are labelled with a child's name, so that if lost they can easily be returned to the owner. With so many students with the same items of clothing, it is easy to mix up uniform unless named clearly.

Summer Uniform

There is no separate summer uniform, to prevent additional cost as well as high standards of presentation. When hot, we will give students permission to take off their blazer or jumper in classrooms.

Reasonable Adjustments

Our Governing body have stated that “the Principal’s discretion and decision on all matters of uniform including hairstyles is final”. With ever evolving fashion trends, Bournville School reserves the right to revise the School Uniform Standards as and when appropriate to do so.

However, the school will consider reasonable adjustments for any genuine reason related to any of the protected characteristics. For example, to support religious requirements or students with disabilities. To apply for an exception to the uniform policy for your child, please contact your child's form tutor in the first instance.

Please find detailed guidance of the secondary school and PE uniform overleaf.

BOURNVILLE SCHOOL SECONDARY UNIFORM

Blazer OR/AND jumper

Students can choose to wear both the blazer and jumper, just the blazer OR just the school jumper.

The school blazer is black with a school griffin badge sewn on. The blazer itself can be purchased from any outlet or a branded blazer from uniform suppliers.

OR/AND a V-neck navy jumper with the Bournville School logo, purchased from uniform suppliers. Other jumpers or cardigans are not permitted.

Blazer badge

A sew on badge for the blazer can be purchased separately to the blazer. This can be a cheaper option as the blazer can be purchased from any outlet selling black blazers such as supermarkets.

One free badge will be given to each student from the school if requested.

Tie

A clip-on tie in school colours. Ties must be clipped on at the top of the shirt. Having a spare tie in case of loss or damage is useful.

Shirt

White, conventional school style, short or long sleeve collared shirt. These must be loose fitting. They can be purchased from any outlet of your choice including supermarkets where they can often be purchased cheaply. Shirts must be tucked in at all times and buttoned to the neck to enable the school clip-on tie to be worn correctly.

Trousers OR skirt

A black pair of trousers. They must be black, tailored, straight leg trousers (no leggings, skinny fit, extreme bootleg, denim or cord trousers). **Alternatively, students can wear a black, pleated skirt which should fall to the knee. Pleats must be from the waist.**

These items are not branded so can be purchased from any outlet, such as supermarkets.

Socks or tights

Socks or tights should be plain white, black or navy socks; or plain black or natural tights.

Coat/head gear

A plain coat may be worn over the school blazer on the way to and from school, at breaks and lunchtimes and when moving between lessons. Hoodies, leather jackets or denim jackets are not permitted in school.
