Annual Academy Review: Parent Feedback

As part of our annual Academy review, we are seeking feedback from parents and carers. Your opinions are extremely important to us, and we are committed to ensuring that your views are heard and considered as part of our ongoing development and improvement.

Due to the limited timeframe for this review, we would be grateful if you could take a few moments to complete the feedback form and share your thoughts about the Academy.

Please click on the link below to access the survey:

The survey will close on **Wednesday 16 September**, so we kindly ask that all responses are submitted by this date.

Thank you for your time and continued support.

Yours faithfully,

Ms R Dhinsa
