Re: Extra-Curricular Timetable

Dear Parent/Carer,

We are delighted to share the 2026-27 extra-curricular timetable for the secondary phase. A copy is attached for your reference and is also available throughout the school and on our website.

Please note that this is a live timetable and may be updated during the year to reflect new opportunities and changes to activities.

Our extra-curricular programme offers a wide range of opportunities designed to support students' personal, social, and academic development. Through participation, students can:

- Discover new interests and hobbies beyond the classroom.
- Develop valuable skills such as teamwork, leadership, creativity, and problem-solving.
- Build friendships and connect with peers across different year groups and houses.
- Challenge themselves and gain recognition through awards for commitment, achievement, and participation.

We strongly encourage all students to take advantage of these opportunities. Participation in extra-curricular activities not only allows students to pursue their interests but also helps them develop confidence, resilience, and a strong sense of belonging within the school community. We look forward to seeing as many students as possible involved this academic year. By taking part, students can enrich their school experience, explore new talents, and contribute to a vibrant and active school environment.

If you have any questions about the timetable or any of the activities on offer, please do not hesitate to contact the school.

Yours faithfully

Miss Walton
